synthetic rattan seat

DETAILS

This mid-century Scandinavian-inspired bench is a showpiece in any space. Bench #2 is crafted from locally sourced high-grade teak treated with a neutral outdoor finish. The synthetic rattan matches the texture and aesthetic of a natural fiber, but is UV-treated to make it suitable for outdoor use.

Equally beautiful indoors and outdoors, especially for young families, this bench can be easily rinsed off. Place at the foot of the bed, an entryway, at your dining table, or any nook in the home or patio to welcome a moment of tranquility.
