

Boble Lounge

AVAILABLE IN WHITE OAK + NATURAL RUSH

CONTACT: hello@hatihome.com

woven rush seat

DETAILS

The boble lounge is a testament to craftsmanship. Inspired by the bobbin furniture of 17th century France, this piece features a solid white oak frame finished with a neutral, anti-yellowing stain to keep the wood bright and white for years to come. Each bobbin is lathe-turned by hand, a legacy skill that only a few manufacturers still possess. The natural woven rush seat provides comfort while evoking classic European country furniture.

RETAIL PRICE

\$2,550
