

Lounge by Pure Salt

INDOOR + OUTDOOR

CONTACT: hello@hatihome.com

synthetic rattan with cushion seat

DETAILS

Our collaboration with Pure Salt embodies a coastal, surf-inspired aesthetic with artisanal craftsmanship and natural-feeling materials. We've upgraded this breezy lounge with custom synthetic rattan for both indoor and outdoor use.

Locally sourced, high-grade teak is treated with a grain-enhancing neutral finish, while a carefully crafted custom synthetic rattan replicates a heathered, pre-worn look in a distinct weave pattern for a relaxed, inviting feel.
