paper cord seat

DETAILS

The Freda Wave Counter Stool has playful wavy lines inspired by French mid-century designs, and plays wonderfully with the Freda Razor in a mix-and-match set. The sustainably-sourced white oak is finished with an anti-yellowing treatment to keep the wood bright for years to come.

This stool is customizable with either a classic Danish paper cord seat showcasing a woven pattern that is both durable and designed to minimize sagging, or an upholstered seat in your choice of performance linen or customer own material (COM).
